

There is a clandestine computer game in JIRA 6

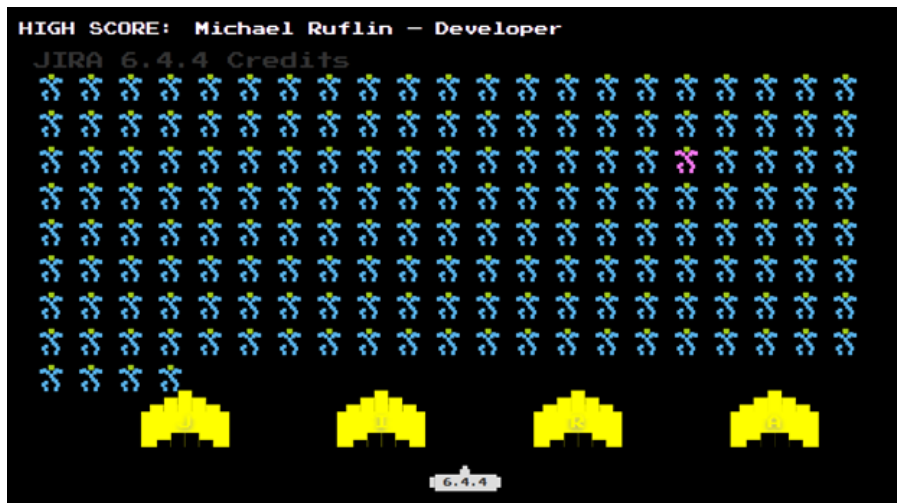

True
False

Feedback if answered correctly

You got it right 👍

If you select 'JIRA Credits' in the Help menu in JIRA 6, you will see something that looks like the Space Invaders shooting game.

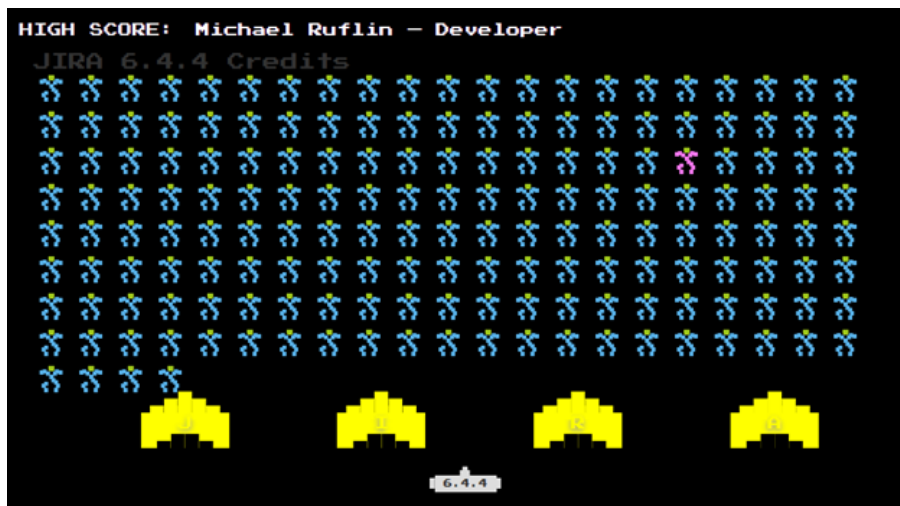

Little figures represent people in Atlassian who worked on JIRA 6. Their names are displayed as you hover over a figure. You can play around and make them disappear by firing with the laser. Ouch!!! 😊
