

# Handy Macros Demo

Handy Macros is a set of tools designed to make your Confluence content more comfortable to read and interact with.

Try Handy Macros today!

## Handy Status

Handy Status allows you to add statuses that can be dynamically changed while you are viewing Confluence pages. Create global or personal sets of statuses, define their colors and take advantage of interactivity on Confluence pages.

Handy Status demo

## Handy Carousel

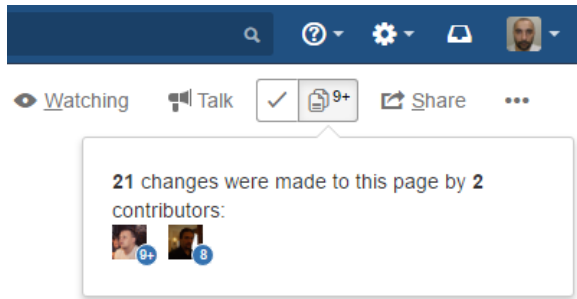

Handy Carousel allows you to add interactive galleries or carousels dynamically rotating images or YouTube videos on your Confluence pages. Add more attractiveness and increase the click rate of media content!

Handy Carousel demo

## Handy Page Diff

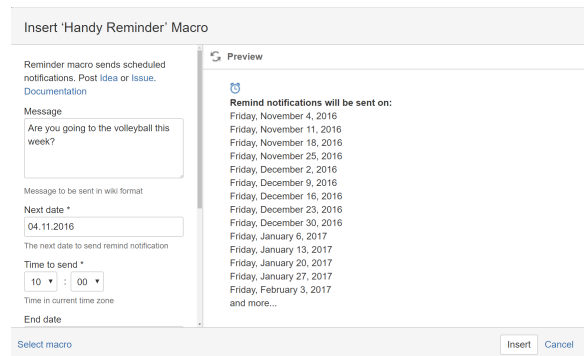

Handy Page Diff is a convenient mechanism that highlights all the page differences made to the page since your last visit. Forget about Confluence page revisions with their fragmented page changes spread across multiple revisions. See the whole picture of updates and corrections at once!

Handy Page Diff demo

## Handy Reminder

Handy Reminder allows you to set one-time or regular reminders for you or for your team mates on Confluence pages. You'll no longer miss an important event or task!

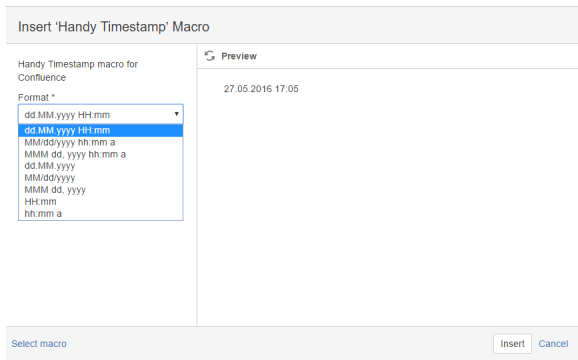

Handy Reminder demo

## Handy Timestamp

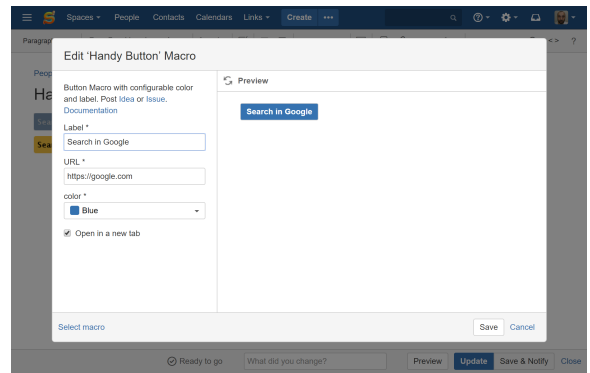

Handy Timestamp allows you to track the current date and time on Confluence pages when you perform maintenance or update tasks. Indicate the time of their completion in a blink of an eye!

## Handy Button

Handy Button allows you to create visually appealing buttons as an excellent replacement for generic links that can be lost among the tons of text.
