Take Quiz

Once a quiz is shared with participants, they receive an email notification with a quiz link and can follow that link to take a quiz.

When logged-in Confluence users click the 'Take quiz' button on a page for self-enrollment, they are redirected to a quiz right away.

Refer to Documentation to learn more about taking a quiz.

Sample Quizzes

Below are three quizzes that we created as samples for you.

Click the link in 'Quiz Name' to view a quiz as a quiz creator. Press the 'Take quiz' button to take a quiz and see it as a participant.
