

## Jay Simons, Atlassian president, worked as a piano player in a hotel in Burma (Southeast Asia)

True  
False

### Feedback if answered correctly

How did you know? 😊

You are right, Jay was 4 when he started to play the piano. And yeah in 1994 he traveled all the way to Burma when accepted the job of a jazz musician in a hotel there.

### Feedback if answered wrong

Presidents CAN be musicians! 😊

Jay was 4 when he started to play the piano. And yeah in 1994 he traveled all the way to Burma when accepted the job of a jazz musician in a hotel there.
