Handy Button

Making your links noticeable

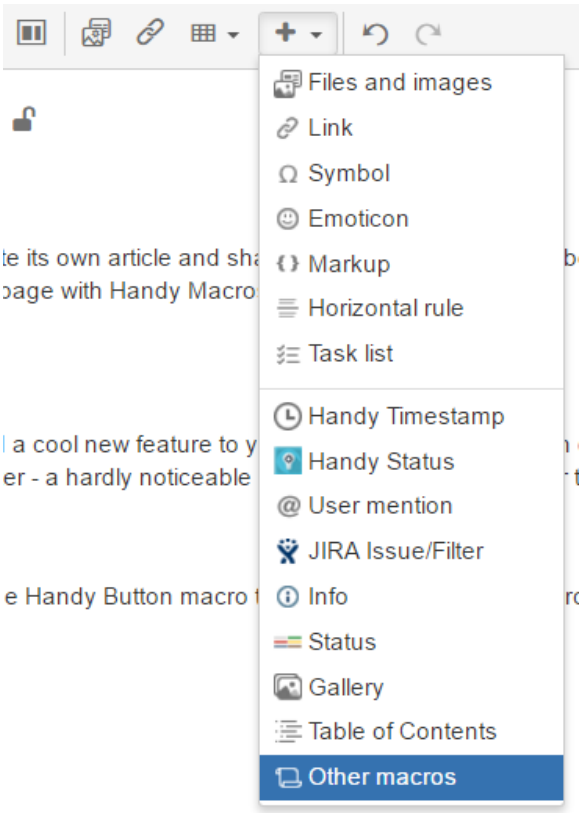

Sometimes you need to attract attention to your links. Use a vivid button as an alternative to a link!

Copy your buttons!

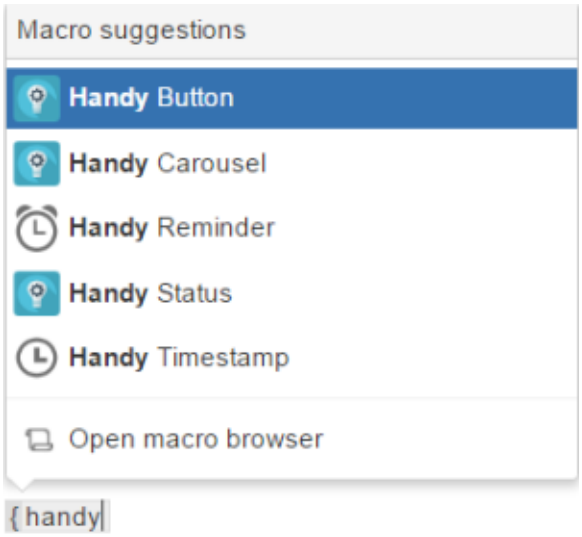

Select any of five pre-defined colors!

Edit your buttons!

Don't be shy! Try to create or update the Handy Button right now. Just edit the page and add the Handy Button macro to the page through the macro browser:

or start typing "{Handy Button" to insert the button on the page:

Try other features

Take advantage of the other macros bundled within Handy Macros app. Click any of the buttons below to check out their capabilities.
