Chart from Table: Pie and Donut Charts

50 %

Instructions

Build a 3D pie chart and a 3D donut chart:

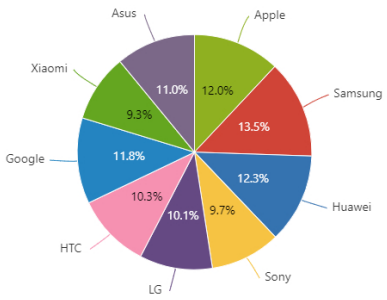

1. The control panel appears on the right from the chart when you hover over the chart.
2. Select the **Pie** chart type if not selected.
3. Select the value **Sum of sales 2020** in **Values column**.
4. Select the **3D** check box.
5. Change the type of chart to **Donut**.
6. Click the ⚙ icon and **Save changes.**

When you filter the table using the funnel icons in the table headers, the chart is updated automatically.
