

Managing Filters on the Filtration Panel

To add the filtration panel in the page view mode, click the   icon on the top right corner of the table and select the  Filter table data option.

Skills and Certification

Created by Natalie Paramonova, last modified 13 minutes ago

 Start **adding filters** in the filter tools menu.    

Developer	JavaScript	Java	C++	C#	Python	Perl	Ruby	Employee Certification

Managing Filters in the Page View Mode

 **Use Hint**

Try to add different types of filters for the table below and then try to manage the newly added filters while viewing the page.

If you experience any problems, watch the screencasts above and get hints about the usage of this functionality.
