

Calendar of Atlassian Events 2019

There's so much happening in Atlassian Ecosystem all year round! That is why we create our overview of Atlassian events all over the globe every year. Our team wants to help you plan your year ahead and make sure you don't miss out anything.

Events organized by Atlassian and Atlassian Partners help you learn the latest market insights, develop your professional skills, meet a lot of interesting and like-minded people and just have some fun together.

Here is the list of what we think are the best Atlassian events and the most interesting IT conferences to participate in this year.

We will update with more information once available.

Upcoming Atlassian Events

While we chose to list mostly larger events, you can also learn more about smaller meetups available near you with the help of these useful resources:

- [Atlassian Partner Events](#)
- [Atlassian User Groups](#)
- [Trello Events](#)
- [Company User Groups](#)

Atlassian Tour 2019

This year Atlassian is coming to your city again. The second [Atlassian world tour](#) is in full swing. You have a great chance to meet the experts and learn more about how to scale your business with the help of Atlassian products.

You can join the Atlassian team for an exclusive half-day event. Here is an approximate schedule:

When	Where	Details
24 January	Toronto, Canada	Toronto details
29 January	Frankfurt, Germany	Frankfurt details
31 January	Berlin, Germany	Berlin details

5 February	London, United Kingdom	London details
7 February	Madrid, Spain	Madrid details
12 February	Zurich, Switzerland	Zurich details
14 February	Munich, Germany	Munich details

US Atlassian Summit 2019

9-11 April, Las Vegas

[Atlassian Summit 2019](#) is heading to Las Vegas. This is the biggest Atlassian event of the year aimed at helping companies of all sizes to encourage smarter work. Join Atlassian Summit to be the first one to learn more about the latest innovations and updates.

This conference offers educational, networking and hands-on opportunities for its attendees. Moreover, all the participants can meet Atlassian Partners and Atlassian Vendors in person, this way they can learn more about handy apps for Atlassian products that can boost productivity of Atlassian products.

Note that [Developer Day](#) takes place on April 8

This year Atlassian organizes only US Summit.
